SUBJECT: Bills Passed During the 2004 Regular Legislative Session Report

We are pleased to provide you this Senate Committee Services (SCS) report, Bills Passed During the 2004 Regular Legislative Session, by Committee of Origin. Very simply, this report includes a brief description of each Senate and House bill passed by the 2004 Legislature. Bills are listed under their committee of origin in the Senate.

We have noted the Governor's action on bills through March 11. The Governor has not yet taken action on the overwhelming majority of bills included in this report.

We will be working with House staff in the weeks ahead to prepare the more comprehensive 2004 Final Legislative Report. You are likely familiar with that report, which has been produced for many years. It will include the final bill report for each bill passed by the 2004 Legislature and relevant gubernatorial veto messages.

It was a pleasure to serve you again this session, and we hope you find this report useful. It would be helpful to us if you would e-mail me at pynch-st@leg.wa.gov and let us know whether or not this report is useful and timely. Please let us know anytime how we might serve you more effectively.
